This stunning 200-page digital guide is packed full of inspiring visuals to support you in your new flight simulator. Discover what you need to know from flying with ATC and configuring camera controls, to using the accessible user interface (UI) and completing your first training flight. Spend more time flying in your new simulator with the best possible set up. SoFly's team of experts have carefully crafted an easy to follow guide, enabling you to swiftly adapt your settings to maximise performance without compromising the look of your new simulator. A Guide to Flight Simulator will provide you with detailed information for each of the hand-crafted airports, whilst the tips and tricks from certified pilots will give you the confidence needed to complete complicated manoeuvres and land at challenging airports. Detailed specs will help you understand each of the included aircraft to help you become the best virtual pilot. The step-by-step tutorials included throughout will walk you through your first flights in the simulator, and provide you with travel inspiration for your next virtual flight. You'll soon be able to fly solo or online with your friends using live settings. 'A Guide to Flight Simulator' is the perfect travel companion for anyone using the new flight simulator, regardless of the level of experience or knowledge.
