Today, most parents work outside the home, & they want their children to acquire new skills & broaden their education in after-school programs. Police chiefs believe that an investment in after-school programs is the best deterrent against juvenile crime & victimization. This report provides evidence of the importance of safe & enriching learning opportunities for our children & youth. It includes the most recent research, resources, & information on promising practices. Sections: the potential of after-school programs: what works: components of exemplary after-school programs; communities meeting the need for after-school activities; bibliography; & after-school resources.

This book was first published in 2007. Most countries levy taxes on corporations, but the impact - and therefore the wisdom - of such taxes is highly controversial among economists. Does the burden of these taxes fall on wealthy shareowners, or is it passed along to those who work for, or buy the products of, corporations? Can a country with high corporate taxes remain competitive in the global economy? This book

features research by leading economists and accountants that sheds light on these and related questions, including how taxes affect corporate dividend policy, stock market value, avoidance, and evasion. The studies promise to inform both future tax policy and regulatory policy, especially in light of the Sarbanes-Oxley Act and other actions by the Securities and Exchange Commission that are having profound effects on the market for tax planning and auditing in the wake of the well-publicized accounting scandals in Enron and WorldCom.

CENTURY 21 ACCOUNTING GENERAL JOURNAL (Green Text) begins with a two-column general journal, and then introduces students to special journals in cycle two. Based on teacher input, we have completely reorganized this new edition of CENTURY 21, starting with a service business organized as a proprietorship, progressing to a merchandising business organized as a corporation, and concluding with special topics, partnerships, and recording international sales and electronic transactions. Technology is integrated throughout the text, including Automated Accounting, Peachtree, QuickBooks, and Microsoft Excel. Also, the New Student Companion CD-ROM is included with each text. The student CD is exclusively available with CENTURY 21 and includes Competitive Event Prep, Automated Accounting data files, Electronic flash cards of key terms, Web links, PowerPoint presentations, and much, much more! CENTURY 21 ACCOUNTING presents real-world source documents as each new transaction is presented in the text. Source documents provide the objective evidence for journalizing every transaction, and are now included in the working papers for selected end of chapter problems. T accounts are always used to analyze transactions into debit and credit parts to increase student comprehension of journalizing transactions. Illustrations are consistently placed at the top of the page and include step-by-step instructions. Concepts are reinforced through descriptive text to provide complete accounting instruction. Each chapter is divided into three or four lessons with corresponding assessment activities right at the point of use. In addition, several short application problems at the end of each chapter have been added to build student's knowledge before completing the longer mastery and challenge problems. Printed Working Papers help students efficiently complete end-of-lesson, end of-chapter, and reinforcement activities as well as improved chapter study guides.
