A New York Times, USA Today, and Publishers Weekly bestseller! In this riveting saga of temptation, grace, and unconditional love, the New York Times bestselling author of *Redeeming Love* and *The Masterpiece* delivers big-canvas storytelling at its very best. To those who matter in 1950s Hollywood, Lena Scott is the hottest rising star to hit the silver screen since Marilyn Monroe. Few know her real name is Abra. Even fewer know the price she's paid to finally feel like she's somebody. To Pastor Ezekiel Freeman, Abra will always be the little girl who stole his heart the night he found her, a wailing newborn abandoned under a bridge on the outskirts of Haven. Zeke and his son, Joshua—Abra's closest friend—watch her grow into an exotic beauty. But Zeke knows the circumstances surrounding her birth have etched scars deep in her heart, scars that leave her vulnerable to a fast-talking charmer who lures her to Tinseltown. Hollywood feels like a million miles from Haven, and naive Abra quickly learns what's expected of an ambitious girl with stars in her eyes. But fame comes at a devastating price. She has burned every bridge to get exactly what she thought she wanted. Now all she wants is a way back home. “One of the edgiest Christian romances I have had the pleasure of reading in a long while. Francine Rivers has woven a deeply moving story with an adept hand that knows just how to layer humanity, in all its beautiful and ugly truth, into almost every individual who steps onto the page.” —USA Today's Happy Ever After Blog “This is another compelling and moving story by one of the genre's most honored and talented writers.” —Library Journal, starred review “Rivers returns with a page-turning recasting of the story of the prodigal son, here a prodigal daughter. . . . This story arc will be particularly resonant for Christian readers, but Rivers has the writing ability to reel in others who enjoy a well-told tale of redemption.” —Publishers Weekly

He talked quickly and enthusiastically as the cocaine dripped down the back of his throat, and he knew he was trying to impress the drug dealer. He told him how the world shook if you were close enough and the blast was strong enough—how up and down got mixed up and there was only colors and heat. He told him how dirt and debris showered down on you, tapping on your helmet, and how for a moment it sounded and felt like rain. He told him about the few seconds of silence that followed, but then the apartment buzzer rang, and he instantly remembered her, waiting outside for him and the heroin.

Three storybooks in one: Meet the lovable turtle who inspired the beloved *Franklin and Friends* TV show! Franklin in the Dark In the Franklin Classic Storybook that started it all, poor little Franklin has one of the most common childhood afflictions—he is afraid of the dark. This is particularly difficult for Franklin as he happens to be a turtle, and the darkness he fears is, of course, inside his own shell. Bravely, with shell in tow, he sets forth to seek help and in the

course of his travels discovers a bird who is afraid of heights, a polar bear who is afraid of the cold, and even a hydrophobic duck. In the end, Franklin discovers that everybody, even his own mother, is afraid of something, and his response to what he has learned is guaranteed to draw a smile. Franklin Says I Love You In this Franklin Classic Storybook, our hero is a very lucky turtle. He has the best friends, the best little sister, the best goldfish, and, of course, the best mother. But when he discovers that his mother's birthday is coming up, he can't find the best present. After giving it some serious thought, Franklin decides to do everything for his mom. On the morning of her birthday he takes her breakfast in bed, makes a brooch, draws a picture, and cuts fresh flowers from the garden! And then Franklin gives his mom a great big hug and says, "I love you"—which is, of course, the best gift of all. Franklin and the Thunderstorm In this Franklin Classic Storybook, Franklin is afraid of thunderstorms. When a storm approaches while he is playing at Fox's house, a flash of lightning sends Franklin into his shell. He refuses to come out—even for snacks—until his friends make him laugh with their tall tales about what causes storms. And when Beaver explains what really causes thunder and lightning, Franklin begins to feel much safer.

[A]t the age of 24, Benjamin becomes the head of his own business, without having saved any money, without having worked unusually hard, without having omitted any of the pleasures beloved by imaginative youth, and without having lived up to any of the maxims for which he is later to become renowned. -from "Chapter XI: Philadelphia's Youngest Master-Printer" It's with equal measures of unstinting respect and gentle reproach that renowned biographer Phillips Russell tackles the life of one of the legendary figures of colonial America and the Revolution, a figure he deems "mirthful, generous, open-minded, learned, tolerant, and humor-loving...the first American man of the world." A delight to read, this is a cheerful, warmly admiring recounting of the story of the printer and the politician, the debaucher and the diplomat, a man whose "chief weakness" was a lack of aptitude for mathematics, who was "not above looking to the church to do police duty over his womenfolk," who was "midwife at the birth of the world's first great republic." Profusely illustrated and bursting with the author's enthusiasm as well as its subject's abundant personality, this is a classic of American historical literature. American journalist CHARLES PHILLIPS RUSSELL (1883-1974) was a newspaper editor and professor of English and journalism at the University of North Carolina in Chapel Hill. He is the author of numerous books, including biographies of Thomas Jefferson, John Paul Jones, Ralph Waldo Emerson, and William the Conqueror.

Their leap of faith could unleash magic ... or plunge them into darkness. Henry Thorn has worked at Larkin's since graduating high school. He likes it -- especially when he can use his secret skill of hiding inside shadows so his boss can't find them. Without that talent, he would never have survived growing up different. When a hire enters the store, Henry's other latent talent kicks in. He can smell an emotional response even before he lays eyes on the redhead. Jamey Currey came out, and his conservative parents promptly kicked him out. He, too, is different -- he senses Henry's attraction the moment they met. The first time they kiss, torrential rains fall from skies split by lightning. Their kiss also awakens the Watchers, diabolical hunters who will stop at nothing -- even extermination -- to keep magic suppressed. With the help of a friendly coven of friendly witches, the boys embark on a quest to discover an ancient key to restoring magic to the world, and to understand mysteries of their own hearts. The question is, will this quest cost them their lives?

When Franklin keeps picking the games without listening to his friends' suggestions, they decide to play without him.

humble tradesman's family, this adaptable genius rose to become an architect of the world's first democracy, a leading light in Enlightenment science, and a major creator of what has come to be known as the American character. Journalist, musician, politician, scientist, humorist, inventor, civic leader, printer, writer, publisher, businessman, founding father, philosopher—a genius in all fields and a bit of a magician in some. Volume 3 begins in the year 1748, when Franklin was known in Pennsylvania as clerk of the Pennsylvania Assembly and in the Middle Colonies as the printer and editor of *Poor Richard's Almanac* and the *Pennsylvania Gazette*, the best-known colonial publications. By the middle of 1757, where this volume leaves off, he had become famous in Pennsylvania as a public-spirited citizen and soldier in the conflicts of the Seven Years' War; well known throughout America as a writer, politician, and the most important theorist and patriot of the American empire; and renowned in the western world as a natural philosopher. This volume tells the story of that transformation. Franklin and his friends love to play soccer, even if they never succeed in scoring a goal, but when they learn to work together, their playing improves.

Surviving murderous thieves, a nerve-racking sea voyage, and the deadly sands of Egypt with Napoleon's army, adventurer Ethan Gage solved a five-thousand-year-old riddle with the help of a mysterious medallion. But the danger is only just beginning... Gage finds himself hurled into the Holy Land in pursuit of an ancient Egyptian scroll that promises to reveal the secrets of the universe, even as Bonaparte launches his deadly invasion of Israel. The general hopes the ancient secrets of the Middle East will help catapult him to power in France, and the inventive Gage faces old enemies as he must use all his wit and derring-do to prevent dark powers from seizing control of the world.

When Franklin loses the valentines he has made for his friends, he is heartbroken and worries that they won't want to give him any cards, but Franklin soon learns that he has very good friends.

Excerpt from *The Villa on the Rhine* Auerbach was born in poverty and obscurity, in the little village of Nordstetten, on the Suabian side of the Black Forest, on the 28th of February, 1812. His parents, being Jews, were inspired by the signs of the active and impressible intellect which he showed as a child, with the hope that he might become a light of the Synagogue, and they devoted him to the study of Hebrew theology. In Carlsruhe, where he studied, he also attended the Gymnasium, and gave a portion of his time to the classical branches. While completing his studies at the Universities of Tübingen, Munich, and Heidelberg, he gradually neglected Hebrew theology for philosophy, history, and literature, and it was not many years before the Hebrew element, so conspicuous in his early works, entirely disappeared from his contributions to literature. Martha Welch felt lost. The wagon train left her and her uncle behind when he

became too ill to travel. He'd passed on just hours after they left. She was fighting tears when Wyatt Peterson, a local ranch owner, came across her on his way to Green Falls. He drove her wagon into town, where she planned to get a hotel room for a few days. The hotel was full, though. The sheriff suggested Wyatt take her to his ranch, where he had plenty of room and his housekeeper could help her adjust and make some plans. They began having feelings for each other, even though they each tried to convince themselves it was the wrong time to get involved. Wyatt was sure he didn't have time to keep a lady from New York City safe on a farm in Kansas. Regardless of how determined they were, they soon found out things don't always go as planned. In fact, since they'd met, it seemed very little was even as it seemed, let alone going as planned.

No one ever talks about what happened ... Summer 1971, Del Munro, a single mother of four, is struggling to make ends meet when Mother Franklin, a traveling evangelist, offers to take her daughters to the beach in Savannah. For nine-year-old Willie June and seven-year-old Glory, restless at the end of a long, hot summer in Charlotte, it's a dream come true. To their beleaguered mother, it's a much-needed reprieve. But what seemed like a blessing soon turns into a nightmare when the girls are pressed into service by the morbidly obese Mother Franklin whose needs are as outsized as her ambitions. When the girls fail to return, Del, evasive about the details of her arrangement with Mother Franklin, panics. People begin to wonder if instead of sending her daughters on vacation, she sold them to the evangelist. Based on a true story, *Salvation* is an evocative and unforgettable saga about stolen innocence that explores the tragic mistakes made by desperate people and the false prophets who exploit their vulnerabilities. "...a riveting and deeply moving story... a stunning debut by an important talent." —Abigail DeWitt, author of *News of Our Loved Ones* "A haunting, disturbing journey through an America of misplaced hope and overvalued faith, and of surprising redemption. With gentle humor and a profound appreciation for the marginalized lives of her characters, Avery Caswell illuminates the America that's alongside us, and which many of us rarely acknowledge." —Arthur J. Magida, author of *Code Name Madeleine* When Mr. Owl asks Franklin to be Moose's buddy at school, Franklin is afraid of Moose's large size and Moose is unsure of his new environment, but the two find they have a lot in common.

SOUL'S PERFECTION: Sylvia Browne and her guides help solve a great mystery in this fascinating book - namely, what is the meaning of life? Most human beings - and many teachers and great scholars - have pondered this question over the years, but there has never been a truly definitive answer. This leaves most of us with a feeling of being incomplete in some way. Here, Sylvia and her guides take you to that place within you where you can achieve a sense of intellectual and spiritual fulfillment. They explain that we are here to perfect our souls by absorbing God's knowledge. We are the experiencing side of God, where God is the primary intellect of creation. Simply put, to really know something means that

we must also truly experience it. For example, we can read a book about boat building, but only after actually building that boat will we fully understand it from an all-encompassing perspective. Soul's Perfection takes you through the complete scope of your soul's journey, from planning each incarnation on the Other Side to making life meaningful here on Earth. If you wish to stand proudly before God some day, then the concepts discussed here will bring you wisdom, depth, and spiritual insight.

Franklin wants to give his mother a special present for her birthday, and asks all of his friends for suggestions before deciding on the perfect gift.

In order to match his friends' boasts, Franklin the turtle claims that he can swallow seventy-six flies in the blink of an eye, but then he has to prove it. This edition of Mr. Fisher's "Franklin" contains an appendix, in which the author presents all the proofs extant in regard to Franklin's alleged daughter, Mrs. Foxcroft. The propriety of this discussion is exceedingly doubtful. It may be conceded that Mrs. Foxcroft was acknowledged by Franklin as his daughter, but as nothing whatever is known of her mother, and almost as little of herself previously to her marriage with Foxcroft, the long discussion in Mr. Fisher's book with the appendix must be regarded as lacking in dignity. In his "Autobiography" Franklin acknowledged so many errata that a discussion of his faults with as much amplitude as Mr. Fisher has given to the Foxcroft story would make a much larger book than this to which Mr. Fisher has given the name of "The True Benjamin Franklin." That Franklin was very far from being a saint, most people who know his history will concede, but his virtues were of a nature that they overbalance his faults, and his services to his country were so important that the great Benjamin Franklin will always tend to make the true Benjamin Franklin of little importance in the opinion of his admirers. This is the age of research in little things, and Mr. Fisher's book is a good example of its kind. It will please readers who like to see the scandals of the past uncovered when these scandals besmirch great names, but his revelations will always give greater satisfaction to the prurient than to the prudent.

For two weeks during the spring of 1942, the Bataan Death March--one of the most widely condemned atrocities of World War II--unfolded. the prevailing interpretation of this event is simple: American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos, sympathetic to the Americans, looked on. Most survivors wrote their accounts of the March decades after the war and a number of factors distorted their stories. the crucial aspect of memory is central to this study--how it is constructed, by whom and for what purpose. This book questions the prevailing interpretation, reconsiders the actions of all three groups in their cultural contexts and reveals a far greater complexity: violence on the March was largely the result of a clash of cultures--undisciplined, individualistic Americans encountered Japanese who valued order and form, while Filipinos were active, even ambitious participants in the drama.

In a quiet Minnesota town, twelve-year-old Franklin Hobbs and his mother, Angel, find themselves being stalked by a malicious foe, one that can appear as a human in almost every way, except for a single detail...it doesn't have a face. The saga all begins on the eve of his tenth birthday. While Franklin sleeps soundly, he is visited by two competing entities; one that wants to murder him and one that hopes to help him. He awakens the next morning to find out that he has been healed of a crippling injury, which had kept him bound to a wheelchair since he was two. But on the same night, he is also gifted with strange and wonderful powers that he will need as he journeys to discover who he really is and why he is being hunted. With the help of some faithful friends, Franklin Hobbs will do battle with bloodthirsty beasts and encounter other savage monsters as he travels out of Earth and into a dark, parallel version of what he knows. Here, on his enemy's territory, he will also face the most dangerous opposition of all...the Darkness that grows inside of him.

Videojournalism is a new field that has grown out of traditional print photojournalism, slideshows that combine sound and pictures, public radio, documentary filmmaking and the best of television news features. This amalgam of traditions has emerged to serve the Internet's voracious appetite for video stories. Videojournalism is written for the new generation of "backpack" journalists. The solo videojournalist must find a riveting story; gain access to charismatic characters who can tell their own tales; shoot candid clips; expertly interview the players; record clear, clean sound; write a script with pizzazz; and, finally, edit the material into a piece worthy of five minutes of a viewer's attention. Videojournalism addresses all of these challenges, and more - never losing sight of the main point: telling a great story. This book, based on extensive interviews with professionals in the field, is for anyone learning how to master the art and craft of telling real short-form stories with words, sound and pictures for the Web or television. The opening chapters cover the foundations of multimedia storytelling, and the book progresses to the techniques required to shoot professional video, and record high quality sound and market the resulting product. Videojournalism also has its own website - go to just one URL and find all the stories mentioned in the book. You also will find various "how-to videos on

the site. To keep up with the latest changes in the field such as new cameras, new books, new stories or editing software, check the site regularly and "like" www.facebook.com/KobreGuide.

After the tragic death of his wife, Katie, Professor Franklin Franklyn blames himself. Filled with anguish, he walks away from his family and removes himself from all social interactions, which augments his suffering. But soon after the second anniversary of his wife's death, his self-imposed reclusive lifestyle is interrupted by an unplanned visit from his eight-year-old granddaughter, Maggie. From that point on, Maggie's faith-filled answered prayers manifest before Franklin's eyes. As the two experience God-led divine appointments, Maggie encourages new people to become part of Franklin's life. In spite of all Franklin witnesses, he finds it difficult to let go of his guilt and move on without his wife. Franklin finds a camera in the park, and uses its film to take pictures of his friends, but then he thinks he should try to find its owner.

In this Franklin Classic Storybook, Franklin celebrates Thanksgiving with friends and family!
