There is something unusual about the trees in Oakville. An old Indian legend has it that these are spirit trees and keepers of the town's secrets. When a volunteer fundraiser for the high school's thespian group dies under mysterious circumstances, the police chief and a housewife start an investigation that uncovers not only the town's secrets, but also its dreams, and often deadly games. Set in 1979 in Michigan, Oakville is about a time as much as a place, gone now, but still remembered.

EARNING MORE FUNDS is an inspirational, practical guide for non-profit fundraisers.
This book covers dozens of topics from car washes, to newsletters, to grant writing.
Every single non-profit organization, no matter its size, will benefit from a comprehensive
fundraising plan. Oftentimes the idea of creating a written plan can seem time consuming and
take a back seat to actual fundraising execution. No matter how small your organization,
foundation, or charity is, or how far along you are into your operations, your group needs a
comprehensive, well-written fundraising plan that spells out your strategies, tactics and goals
for the year. The results of insufficient planning can become apparent very quickly. In some
cases, prospects, solicitations, events and cultivation activities don't get the attention they
need. At times the talents and skills of the fundraising teams are not maximized to their fullest
potential. And worse than anything, committed donors, on which the organization relies, are
neglected.
