The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. This book, written by an experienced examiner, contains four exam-format practice tests for each of Papers 3, 4 and 5 of the Cambridge IGCSE English as a Second Language (Core and Extended levels).

This book documents a major study comparing the Cambridge First Certificate in English (FCE) with the Test of English as a Foreign Language (TOEFL) to investigate similarities in test content, candidature and use. While both tests were designed to measure many of the same abilities, they represent radically different approaches to language test development, reflecting deeper differences between educational measurement traditions in the US and UK. The thorough investigation of the fundamental characteristics and operational utility of two of the most widely used English tests for foreign students makes this study a valuable contribution to language testing research. As such, it will be of considerable interest to language testing specialists and examination boards, as well as to academic researchers and graduate students in the field of language assessment more generally.

Intermediate First Year ZOOLOGY Test papers Issued by Board of Intermediate Education w.e.f 2013-2014.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. This book contains exam-format practice tests for Papers 4 and 5 of the Cambridge IGCSE in English as a Second Language. It includes four Extended-level listening practice tests and twenty oral (speaking) test tasks. The tests will help build confidence and develop exam techniques by familiarising students with the format of the Listening and Oral papers, and with the kinds of topics and exercises they will encounter. The material is also suitable for non-exam students at intermediate to upper-intermediate level. The With Key edition includes the complete audio scripts and answers for the listening tests, and oral examiners notes.

The tests will help familiarise students with the format and requirements of the Reading and Writing/Listening and Speaking papers. Book 2 contains four further Extended-level tests. The tests will help familiarise students with the format and requirements of the Reading and Writing papers. Teachers will find them a valuable source of stimulating practice material which will engage the interest of students at this level, particularly those preparing for academic study. The material is also recommended for use with non-exam students at intermediate to upper-intermediate level. Model summaries and compositions are included in this With Key edition.

The Records of Early English Drama volumes make available historical transcripts that provide evidence of early English drama, music, ceremonial, dance, and other forms of communal public entertainment in Britain before 1642, together with the necessary interpretive introductions and notes to explicate the materials for the reader. Shropshire, in two volumes, is the eleventh publication in the series. In the introduction Alan Somerset surveys the social and economic history of each major borough and provides a commentary on the major issues raised in the documents. He discusses travelling performers routes, the places they performed, and the remarkable public exhibitions of high-wire artists, camels, bears, and giants. The records for this county are rich and varied, providing new detail about local playing and festivities. From Shrewsbury for example, comes the complete documentation of a unique, semi-circular outdoor amphitheatre. The documents reveal much - from robbery and riots - to the sometimes acrimonious disputes that show the growing Puritan opposition to sports, which attempted to combat an equally stubborn affection for traditional customs. These records are an invaluable addition to the scholarship of early drama, establishing as they do part of the total context of the great drama of Shakespeare, his predecessors, and his contemporaries.

Fourth edition of the best-selling Cambridge English: First (FCE) course, updated to prepare for the 2015 revised exam. The Student's Book without answers contains fresh, updated texts and artwork that provide solid language development, lively class discussion and training in exam skills. The 24 topic-based units include examples from the Cambridge English Corpus to highlight common learner errors, while vocabulary sections informed by the English Vocabulary Profile ensure that students are learning the most useful language required at this level. A phrasal verb list provides a handy reference. The interactive CD-ROM provides comprehensive extra practice of the language and topics covered in the book. Class Audio CDs containing the recordings for the listening exercises are available separately.
